Reserve your **"Barnyard Bingo Played Here"** Sign for just \$25 to increase traffic to your booth.
Don't delay – Spots are limited.

Here's How it Works:

- Every fairgoer, upon entry to the fair, receives a Barnyard Bingo Card.
- Fairgoers fill their bingo cards by visiting "Barnyard Bingo Played Here" locations, where vendors, exhibitors and sponsors stamp an empty square.
- Once the card is filled with stamps, they are entered to win fantastic prizes.

Barnyard Bingo Locations receive the following:

- "Barnyard Bingo Played Here" sign to be displayed at their booth all days of the Fair
- Unique stamp
- Hundreds of fairgoers and potential customers

Barnyard Bingo Locations are responsible for the following:

- Keeping track of your stamp
- Stamping the bingo card for everyone who stops by your site – you can stamp any empty square on the sheet
- One stamp per bingo card
- Bingo participants are not required to purchase anything from vendors
